

room. The right leg was broken in two and doubled back under lid of box. Left leg bent back so that the foot was over right shoulder.

The box was nailed up except one board in the centre. The board was there but not nailed on. Chemise only on body. I left Campbell in charge and went for Dr. Templeman and brought him to house. I went to police office and told Prisoner he was to be locked up on charge of murdering his wife. He said "no" nothing else. Shewn whole articles in Inventory 6. I took all these out of Prisoner's pockets in police office. I also took 13/- off him. No other money - none in house. Shewn Label 3. I found that in window of room where body found. There was blood on it and some flesh and hair. Shewn rope. It was lying on floor near box. There was some hair on the rope.

Found -
