of wounds. I agree with Dr.
Littlejohn that appearance of eversion
would cease after a few days.

Dr William Kinnear M.B. I made
the examination with last witness
and made report with him. I agree
with his evidence.

Suicide by strangulation as
distinguished from hanging is very
rare. I have not met with one. In
some cases an instrument and in
others a round knot.

A homicide almost always uses too
great force - so as to make sure of
killing.

Susan Duffy. I live at 109 Princes
Street immediately above Prisoner's
house. Heard no noise during night
between fourth and fifth. A black
watch dog in room. He did not
bark.

Jessie Gibson, 105 Princes Street. Aged
twenty four.
